

Technical drawing of a circular mechanical assembly, showing two views: a cross-section (top) and a top-down view (bottom).

Top View (Cross-section):

- Overall diameter: $\varnothing 2100$
- Internal diameter: 291.2
- Radial distance from center to internal feature: 301
- Internal features include two circular openings and a central vertical shaft.

Bottom View (Top-down):

- Overall diameter: 210
- Internal diameter: 215
- Radial distance from center to internal feature: 308
- Internal features include four rectangular slots and a central vertical shaft.
- Bottom-most dimension: 431
